## 30.15 MELBOURNE

### TRACK NOTES MKC 2018

1. From Ferntree Gully picnic Ground head up Lyrebird track to One Tree Hill Picnic Area.
2. Go up through the picnic grounds and head out to **the right** via Tysons Track. **3.** Keep following Tysons Track as it swings around **left** and heads south. Keep heading south as it becomes Outlook Rd (do not turn right on Outlook track) reaching a T-intersection. **Turn right on Ramu Ave.**
4. Stay straight, keeping the water tank to your left, past Macedon track on your right and **turn right** onto Stony Rise track.
5. **Turn right** at the end, pass a few houses on your left, and **turn right**, sighting a gate to the road on your left.
6. **Turn right** onto View track (brace yourself!)
7. At the top, **turn left** onto Chandler track-follow until you reach a small intersection with a few houses. Continue, **taking the upper** of the two tracks here and follow-this is Hansen track.
8. Follow Hanson Track until you reach a T, **turn left** and you will leave the park, merging with Government Rd.
9. Follow Government Rd until it comes to Old Forest Rd, turn **right into Toorak Rd** and then 250m along, **turn left** down the inconspicuous grass easement (Melways ref 65 H9), cross Mountain Hwy Rd (watch for traffic), continue down the easement which becomes Wicks Rd and 300m later arrive at Wicks Reserve on your left (**checkpoint 1 & 3**).

**If you are doing the 15km course, skip notes 10-20 and go directly to final note-21. For 30 km course, continue to note 10 below.**

**10.** Depart Wicks reserve using same driveway, **turn left**, cross over Basin-Olinda rd, continuing on Sheffield for a few hundred metres, before swinging **right** on Doongalla rd. Follow, **veering left** onto Simpsons Road and continue along this until you reach the gateway, entering the Doongalla Unit of the Dandenong Ranges National Park.

**11.** Follow this road until you reach Doongalla Homestead picnic ground. Continue beyond the homestead and **turn right** onto Channel 10 track.

**12.** Continue up this track until you reach the zig zag track on your right-**turn right** here.

**13.** Continue until reaching the intersection with the track leading to the TV towers. **Turn left** –Kyeema track.

**14.** Follow Kyema, **turn left** onto Trig track (Note: steep, gravel track here-please use caution on descent) and continue all the way to Kalorama Park (**checkpoint 2**)

**15.** Leaving Kalorama Park, **turn sharp left** onto Old Mountain Rd. Continue on this track until you reach the junction of three tracks. **Take the far left** Fireline Track.

**16.** Continue along Fireline track, which becomes Camellia track, until you reach Bills track on your right. **Turn right here.**

**17.** Continue and **turn left** at Edgars track, crossing the pipeline.

**18.** Continue and **turn right** on Pavitt lane.

**19.** Continue and **turn left** on Sheffield Rd (watch for traffic). Follow until you again reach Wicks Reserve (Note to stay on Sheffield rd, do not turn right back onto Doongalla rd).

**20.** Arrive at Wicks reserve (**Checkpoint 3**)

**21.** Depart CP 3, **turning right** onto Wicks rd Follow the same trail back until you reach previous intersection of Hansens and Mystic track. Follow Mystic (do not turn right onto Hansens), which becomes Outlook track, **turn left** onto Tyson track, and retrace steps to Ferntree Gully picnic ground via the Lyrebird track.
